

5032 N Silentwind Way

Looking right from garage entry into the kitchen. To the rear of this view is a “mud room” with lockers for coats, gloves, and hats, a laundry room, and _ bath.

Kitchen view to family room

Family Room view back toward kitchen

Two of the four upstairs bedrooms, each w/ a small walk-in closet.

Upstairs master, tray ceilings, ceiling fan, backyard view.

View from upstairs master bedroom into master bath with whirlpool tub, double sink, and shower.

Partially finished basement. Egress window on far wall.

Partially finished basement

Shop and utility area in
partially finished
basement

Left backyard view from dining area thru unfinished screen porch

Right backyard view from dining area thru unfinished screen porch. You can't tell from this view but the porch roof is finished above – just no screens or trim yet.

Backyard view from garage service door
